@nikolasmelui

Who am I?

FS WD with about 8 years of strong experience with backend and frontend development.

DevOps culture addict, Technology evangelist,
Software Applications architect
and Team Lead, responsible for results.

Who am I?

Open Source engineer and IT community enthusiast, speaker at conferences and meetups,
ex-CTO at "Mechanica, ex-ANMEDIO" and "Multikey",
VP at "Samara IT Community",
co-author and...
technology stakeholder of "Junost",
speaker at "GrindConf",
expert at "VolgaHack",
host at "SITCast" and "SITalk".

Who am I?

In love with *nix based systems, vim, clean code, architectural approaches and open source as the best thing that has happened to the humanity.

Who am I?

Currently working hard on "VoxEngine" at "Voximplant" as
a Senior Serverless JavaScript Developer
